COOKIES POLICY

Cookies are small files that are sent to your browser and stored on your device when you visit a website. Cookies allow efficient operation of the site, optimizing the browsing experience by remembering user preferences. They also provide information to the owner of the site for statistical purposes or advertising.

UTILIZED COOKIES

Essential Cookies

These cookies are essential to allow the navigation in the website and fully utilize its features, such as protected area's access. Without these cookies some necessary services, such as form filling, can't be used.

Functional Cookies

These cookies are necessary for the proper functioning of the website. They allow you to be recognized by the website, so that you do not have to enter data, such as language, each time you visit. For registered users, these cookies allow them to be recognized and to access services in dedicated areas. These cookies improve the quality and experience of navigation.

Statistical cookies

These cookies are used for statistical analysis on how you navigate the site. The results of these analyses are used anonymously and exclusively for statistical purposes, only if the service provider uses cookies in connection to the browser or other devices used to navigate on the site. The site uses some third-party services which, independently, may install their own cookies.

How to delete Cookies

Cookies are not used to store personal information, anyway it is possible to cancel them. Most common browsers allow the user to cancel cookies automatically once the navigation is finished. It is also possible to configure the browser to avoid cookie creation, in this case it is not possible to guarantee a correct functioning of the website.

Google Analytics

This website uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). The service uses "cookies" to allow the website to analyze how users use the site. Information generated by the cookie on the use of the website (including your anonymous IP address) will be transmitted and filed with the third party suppliers server. Suppliers will use this information to examine your use of the website, compile site activity reports for its operators, and provide other services related to website activities and the use of the Internet. Suppliers can also transfer this information to third parties where this is required by law or where such third parties process such information on behalf of Suppliers. You may refuse to use cookies by selecting the appropriate setting on your browser, but please note that if you do this you may not be able to use all the features of this website. Using this website, you consent the processing of your data by Third Party Suppliers for the above mentioned modalities and purposes.
